"...school that stresses tougher training and lessons in how to learn, not just rote memorization..."
-New York Times

► Differentiated Learning

Based on student ability and work pace, students advance in their chosen subject and receive instructions on areas most needed within this special, accelerated program.

► Individual Instruction

Our teachers monitor each student's performance and progress to foster successful learning with one-on-one instruction.

► Best Materials

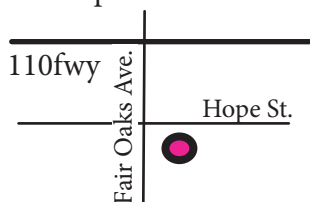

Over 50,000 thought-provoking materials guide students through concepts to mastery.
